

2017-2018 School Year

Welcome New Families!

Dear Families,

May the Peace of the Lord be with you!

Thank you for your interest in Our Lady of the Holy Rosary-St. Richard Catholic School. Our school was established in 1959 by the Sisters of St. Joseph to provide faith formation and academic excellence for all children. For half a century Our Lady of the Holy Rosary-St. Richard Catholic School has imparted the necessary foundation needed for the success of students. Students receive an outstanding education while remaining centered on the Eucharist.

The faith formation of our youth begins with their parents. Parents are the primary educators and are the first teachers of the Faith. Accordingly, as Catholics, formation and stewardship are vital to our Church. This is demonstrated by regular Sunday Mass attendance, participation in our faith life, and monetary Church contributions. If you are a registered parishioner, we thank you for your stewardship. If you are new to the Parish, we welcome and encourage you to join the Holy Rosary-St. Richard community, "United Through The Cross."

Enclosed is the family registration packet for the 2017/2018 school year. The registration documents are also available on our website: www.hsracs.org. The completed registration packet should be returned to the school office from 7:30 AM – 3:30 PM Monday – Friday by March 31, 2017. Once the school office has received your registration packet, your child will be scheduled for an academic screening and an interview with our Church Administrator, Fr. William Sullivan, O.S.S.T. and our Principal, Mrs. Lozano, to determine your child's enrollment status.

We wish you peace and blessings for the 2017/2018 academic year.

Yours in Christ, through Mary,

Mrs. Ilma Ninnette Lozano
Principal

"True education aims to give people a formation which is directed towards their final end and the good of that society to which they belong and in which, as adults, they will have their share of duties to perform."-St. John Neumann (founder of parochial schools in America)
