"More than any other program of education sponsored by the Church, the Catholic School has the opportunity and obligation to be unique, contemporary, and oriented to Christian service; unique because it is distinguished by its commitment to the three-fold purpose of Christian education and by its total design and operation which foster the integration of religion with the rest of learning and living; contemporary because it enables students to address, with Christian insight, the multiple problems which face individuals and society today; oriented to Christian service because it helps students acquire skills, virtues, and habits of heart and mind required for effective service to others. All those involved in a Catholic School - parents, pastors, teachers, administrators, and students - must earnestly desire to make it a community of faith which is indeed “living, conscious, and active.”

Daily attendance at school is fundamental to success in education. The following attendance regulations have been developed to promote good habits for the future, as well as, for the present. The school day for all students is as follows:

REGULAR: 8:00 A.M. until 2:45 P.M., EARLY DISMISSAL: 8:00 A.M. until 1:00 P.M.

School/classroom doors open at 7:45A.M. Tardy bell rings at 8:00A.M. If a student is not in class by 8:00 am, a parent along with the tardy student(s) will need to go to the school office, sign in and pick-up a tardy pass BEFORE REPORTING TO HOMEROOM.

Office Hours

The office is open on school days from 7:30A.M to 4:00 P.M. The principal, assistant principal, and teachers are always interested in discussing any concerns with parents or guardians.

Communication between parents and teachers is always encouraged and is effective in preventing situations from becoming serious in nature. Parents should call the school office, to leave a message for a teacher or to arrange for an appointment. Appointments for teachers are scheduled during their planning time or before or after school hours.

Communication

Communication with parents, students, teachers, and staff is a vital part of our commitment to ensure that we are all achieving the objectives of your child's education. Please update all pertinent and emergency information concerning your child. It is critical that parents notify the school immediately when and if any information changes. In an emergency, office personnel will rely on this information as your contact data.

There are a variety of communication tools to facilitate communication.

Agendas (Grades 1-8):

Each student is required to keep an agenda of all assignments. It is the student's responsibility to take notes regarding their homework, quizzes, tests, projects, etc. The agenda is utilized for parent-teacher communication. Parents should check/monitor agendas regularly. Students in grades 1-8 are provided with agendas as part of the Registration fee. Students may purchase a replacement agenda in the school office if they lose or damage their original.

Online ParentPlus Portal for Parents and students:

Assignments, projects, classroom news and grades will be posted on our website through the Parent Plus Portal. This portal may also be utilized as a communication medium between parent and teacher. Parents should monitor their child's progress on a regular basis. The school will provide login information at the beginning of the school year. The Parent Plus portal can also be accessed through a telephone app.

Email:

Our Lady of the Holy Rosary-St. Richard School and Parish employees have email addresses to facilitate communication with our families. Please refer to the website for the addresses.

August 2017

School Notices:

Notices and announcements will be placed on the school website, on the bulletin boards, and in the church bulletin. Special announcements will be sent as phone-tree messages, e-blasts, texts, or in the form of a flyer and/or written by the student in his/her agenda.

School Website

The school website has the calendar and all special events posted and updated weekly. Please refer to the website for current, up-to date information www.hrsrscs.org

School EBLASTS

The school sends out EBLASTS to all families with upcoming events and issues.

Telephones

- Students are not permitted to have or use cell phones on campus.
- Cell phones carried by parents to church/classrooms must be turned off or put on vibrate before entering the church/classrooms unless instructed otherwise by a teacher for educational purposes
- Students may use an office phone if necessary for emergency purposes.
- Teachers may not be contacted during instruction time. Any emergency must be handled through the administration.

Parental Cooperation

The school views the education of a student as a partnership between the parents and the school. Parents and students are expected to comply with the school rules and policies, and to accept and support the authority of school officials. Just as a parent can withdraw a child from the school if desired, the school has the right to withdraw a student if it determines at its discretion that the parent or student partnership with the school is irretrievably broken.

Parents and guardians are asked to follow these guidelines for expressing concern over a school matter:

- Contact the teacher/supervisor – First, the parent/guardian should initially contact the teacher/supervisor. For a variety of reasons, parents should never attempt to discuss concerns with staff members while they are on duty during the regular school day. As a school policy we do not disturb teachers while they are teaching or supervising students. The best way to contact a staff member is through his/her email address, via a note in the student's agenda, a phone message or note to the school office. Information and requests for appointments will be placed in the appropriate mailbox. However, telephone conferences are often satisfactory when discussing a school related matter. Parents are advised to request an appointment with the teacher(s) to discuss private concerns in person.

- Administrative Involvement - If the problem persists or becomes more serious, the parent/guardian should inform the lead teacher and only then, if necessary, the administrative office to request an appointment. Only signed notes from parents or callers who identify themselves and the need for administrative intervention will be taken seriously. Due to school responsibilities, a member of the administration may not be available immediately. Therefore, concerns should first be presented to the department chair/lead teacher. Patience in setting appointments or in expecting a return phone call is requested.
- Staff members of Our Lady of the Holy Rosary-St. Richard attempt to provide prompt attention to problems, privacy in discussing matters, professional courtesy and respect, and a sincere effort to resolve problems in a Christian manner. That is, we try to approach problems and misunderstandings in a manner that expresses genuine concern for the welfare of your child spiritually, psychologically, academically and physically, as well as his or her fellow-students.
- With this in mind, parents and guardians are expected to show the same concern and respect for the staff of Our Lady of the Holy Rosary-St. Richard, as well as other children and families of our community. The following behaviors, therefore, are unacceptable within our community:
 - Assaults or harassment of staff members, students or parents;
 - Verbal intimidation or abuse of any member of the community in person or in writing.
 - Commission of any of the above acts on the part of a staff member will lead to appropriate disciplinary actions. Likewise, misconduct on the part of a parent, guardian or family member may lead to a warning or one of the following actions:
 - Limiting or refusing permission to enter or use school grounds or facilities;
 - Requesting that someone other than the person exhibiting poor behavior represent the child's interest on school matters;
 - Refusing to allow the child to re-register and, in extreme cases, initiating procedures to ask the family to withdraw the child from the school.

Parent/ Family Involvement:

- Parental involvement with Holy Rosary- St. Richard School is a vital part of the community development within the framework of the present educational system. The total involvement of the family within the school is a must in today's education. It is also the foundation of building a strong spiritual life by attending church on a weekly basis with your children.
- Our Homeroom Volunteers are requested to help the classroom teacher organize field trips, class parties, and help when requested to do so. It is up to the teacher to set the limits on these activities. All parents are encouraged to participate.
- Each family is required to participate in school wide events for a minimum of twenty angel hours.

HRSR Catholic School **Admission Procedures and Guidelines**

Bi-Lingual Program

Our Lady of the Holy Rosary- St. Richard Catholic School is proud to be the first Catholic school in the state of Florida implementing a dual language curriculum.

We are excited to be working with Boston College's Two Way Immersion Network for Catholic Schools. Our dual language program is from PK2 to Kindergarten and is continuing with the program in 1st grade for the 2017-2018 school year. In addition to implementing the program in our primary grades, our elementary and middle school students will be enhancing their bilingualism by receiving conversational Spanish, partaking in bilingual masses as well practicing their Spanish with their class mates and teachers on "Spanish Tuesdays."

Our two way immersion model will continue to grow with a grade level being added each year until the entire school is fully immersed in the program. Students will develop full academic bi- literacy in Spanish and English across all subjects. Two- Way Immersion prepares our children to be global citizens in a culturally diverse world.

Any student in the fourth quarter of the sixth or seventh grade is eligible for consideration for membership in the National Junior Honor Society

The National Junior Honor Society is more than just an honor roll. Consideration for membership is based upon a student's outstanding performance in the areas of scholarship, service, leadership, citizenship, and character.

Scholarship: Students who have a cumulative grade point average of 93% or higher in the core subjects at report card time during the third quarter meet the scholarship requirement for membership. The core subjects are religion, literature, grammar, vocabulary, mathematics, science, and social studies. Students who meet these requirements are then eligible for consideration on the basis of service, leadership, citizenship, and character.

Service: This quality is defined through the voluntary contributions made by a student to the school, works well with others, is willing to take on difficult responsibilities, and shows courtesy by assisting teachers, students, and others.

Leadership: Student leaders are those who exercise positive influence on peers in upholding school ideas, inspires positive behavior in others, demonstrates academic initiative, is willing to uphold scholarship and maintain a loyal school attitude, is dependable, and is a leader.

Citizenship: The student who demonstrates citizenship understands the importance of civic involvement and demonstrates mature participation and responsibility through involvement with such activities as scouting, community organizations, and school clubs.

Character: The student of good character upholds principles of morality and ethics, demonstrates the highest standards of honesty and reliability, observes instructions and rules, manifests truthfulness in acknowledging obedience to rules, avoids cheating in written work, shows courtesy, concern, and respect for others, and consistently exemplifies desirable qualities of behavior.

Sports Program

Holy Rosary- St. Richard School has a tradition of active and successful sports programs. These extracurricular activities are a very important aspect of a total educational program. In addition to physical fitness, they build character and develop a sense of sportsmanship and fair play. Students are reminded that, as a member of these teams, they represent Holy Rosary-St. Richard School and are expected to conduct themselves accordingly. We are Christian athletes first, and winners second.

It is understood that all students that try out will not necessarily make the team. Parents do not attend try-outs. The administration/athletic director will not discuss tryout results with parents. Rosters will be posted after GPA check.

Team membership is not an entitlement. It is a privilege that does not guarantee minimum playing time. Volunteer coaches give their time and talents in the spirit of generosity. Coaches are to be shown respect at all times. Any discussion with coaches should be limited to private conversations where their full attention may be expected. Parents and players should not argue with or criticize coaching decisions in public during games or practices. The athletic director is available to assist parents and coaches with understanding rules and expectations. Students may not be eligible if tuition or other financial responsibilities are in arrears.

Accountability Procedures for Sports

Academic:

- All students participating in the after school sports programs must maintain their eligibility. This means achieving a “C” average (70%) or above in all subjects and an “S” in all Active Learner Traits.
- Any student who falls below these standards will be removed from the team’s roster until the situation is corrected.
- A student who receives a failure on the report card will become an inactive member (may not play in any games or attend practices).
- A student who does not show improvement, will be dismissed from the team.
- Students will not be allowed to participate in any extracurricular activities if absent on day of event.

Personal Discipline: Persons that behave in a disorderly manner or show un-sportsmanlike conduct may be asked to leave school sporting events and/or practices. Refusal to follow this directive may result in removal of the student from the team.

School disciplinary concerns:

- Teachers will inform the administration and coach of a serious discipline problem.
- A decision concerning disciplinary steps to be taken will be made.
- Reinstatement in the program will be at the discretion of the administration, teacher(s), and coach .
 - A student who exhibits a lack of self-discipline over a period of time may be dismissed.
 - Administration reserves the right to remove any student off a team because of poor academic progress or issues

Regulations regarding preparation for games are as follows:

- Selected team participants are expected to attend team practices and scheduled games.
- Practices are scheduled for after school when the coach is available to supervise.
- Home games are scheduled after school, typically at 3:30P.M or 4:00P.M.
- For away games, participants assemble at pre-designated area after dismissal.
- Away games, which necessitate traveling a distance, require permission from the principal for an early dismissal. In such cases, time for dismissal will be announced over the P.A.
- Travel to away games will be provided by school buses.

Attendance Policies and Procedures

Tardiness

Arrivals after the 8:00A.M bell will be marked tardy. PARENT MUST SIGN STUDENT IN AND PICK UP A LATE PASS IN THE SCHOOL OFFICE. STUDENT WILL THEN PROCEED TO HOMEROOM.

Parents WILL NOT be allowed on school grounds after 8:00A.M or before 2:45P.M unless otherwise permitted by the administration. School grounds include the classrooms, hallways and common areas.

Tardy Policy

- A student is tardy if he/she arrives in classroom with or after the 8:00 am bell.
- Every effort will be made to correct the tardy student.
- If a student is habitually tardy a written explanation from the parent or guardian may be required.
- Truancy violates state and local attendance laws and will be considered a serious offense. Continued truancy may result in expulsion from school.
- *Chronic problems with tardiness may result in the possibility of a summer school requirement, denial of promotion, or denial of re-registration for the next academic year. Parents are urged to leave their children in school all day, and only sign their children out early in case of serious illness.
- The following quarterly tardy policy will be adhered to:
 - 5 tardies: Letter Home
 - 10 tardies: Morning detention and conference with principal
 - 15 tardies: Morning detention and conference with principal

Absences

Upon returning to school after an absence, the student should present a note signed by the parent/guardian to the school office explaining the reason for the absence. Four or more consecutive days of absences require a doctor's certificate. In case of communicable disease, a physician's note is also required. Students who are absent from school more than twenty days in a year will not be promoted to the next grade unless the principal grants an exception and determines a way in which the student may receive additional instruction. Excessive absences will be reported to the Department of Children and Families for truancy.

Medical and dental appointments should be made outside of school hours. No child will be released from class unless he/she brings a note signed by parents or guardians. The note must be presented in the School Office when the student arrives in the morning. Late students are not to be taken to their rooms by parents.

If anyone other than parent/guardian has been authorized to call for the child, this person must be identified by the parent/guardian in writing and present a legal identification. No one may call for a student directly from a classroom.

Vacations

Family vacations should not be scheduled during school time. Students receive sufficient time at Christmas, Easter and in the summer. The school will not provide work to be done prior to a family vacation. Students are responsible for requesting and making up work missed.

Perfect Attendance

To receive recognition for perfect attendance, a student must have attended every school day of the academic year. Tardiness and/or leaving early will disqualify students from this award.

Electronic Devices

IPad Usage

Students are only allowed to use school issued Ipad during school hours.

Using iPads within education can help augment the curriculum while allowing students to better learn and comprehend the material. The policies, procedures, and information apply to all iPads and is available on the Student/Parent Agreement that will be given to each child the first week of school. Middle school students will not be issued an iPad until the agreement is brought in signed and the student has brought in a protective case for the iPad. Chronic misuse of the iPad may result in removal by a teacher or administrator.

No Apple watches, android watches or any other devices will be allowed on campus.

School Discipline

Student Conduct

Students are expected to behave consistent with the mission, philosophy and spirit of the school and the moral teachings of the Catholic faith. Because the school cannot anticipate all conducts that violate this policy, it reserves the right to take any form of disciplinary action, including expulsion, against any behavior that violates this policy, even if not specifically stated in this handbook.

Discipline

Discipline is maintained in a classroom or school when students work cooperatively with the Principal, the teachers, and their classmates towards the attainment of the class and school objectives. However, it should be noted that the legitimate interest of the school extends beyond the school day and school hours. Students should live their Christian life at all times.

The faculty and staff of Our Lady of the Holy Rosary-St. Richard Catholic School believe that discipline is fundamental to life and that most worthwhile discipline is self-discipline. Discipline in the Catholic school is to be considered as a tool of moral guidance and not a form of punishment. A parent or child chooses one behavior over another and takes upon himself the consequence of the chosen behavior.

Children must accept the controls presented by lawful authority. Children who fail to comply with school regulations will receive consequences according to the judgment of the teachers and administrators.

Expected student behavior guidelines in establishing rules for discipline:

- Respect for themselves and others.
- Respect for the property and the materials used for education.
- Follow school & classroom rules.
- All students are expected to behave consistent with the mission, philosophy of the school, and moral teachings of the Catholic faith. Since the school cannot anticipate all unacceptable behavior, it reserves the right to take any form of disciplinary action, for any behavior, even if it is not stated in the handbook.
- The teachers assume responsibility for maintaining discipline. Only exceptional cases involving serious offenses should be referred to the administrative staff.

Disciplinary actions, which may not be used:

- Corporal punishment of any kind.
- Verbal humiliation.
- Sending a student into the hall unsupervised.
- Total group punishment.

Detention, Suspensions, Expulsions, and Evaluations

The discipline of students is to reflect a respect for authority. Some behavior necessitates stronger forms of discipline because of the disruption of school order. Students are issued written conduct infractions for behavior deemed unacceptable. The conduct infraction can be minor, major, or severe and can result in evaluations, detentions, suspensions, and expulsion based on severity of the infraction, the students participation, and the students overall record.

*******The Administration has the final recourse in all disciplinary situations and reserves the right to change a specific policy within this handbook at his/her discretion.**

- Six major conduct infractions, the student receives two outdoor suspensions and probation.

Uniform Regulations

- The prime responsibility for good grooming rests with the student and the parent. Nevertheless, the school shares that responsibility, since it believes that good grooming represents a difference in character and motivation and should distinguish Our Lady of the Holy Rosary-St. Richard student from the pupils attending other schools. Students are expected to come to school looking clean and neat and dressed in a manner that is in accordance to the school uniform regulations.
- Parents are requested to check the child/children's attire each morning. In the event that a student is not in complete uniform, the parent will be called and the child will be sent home. Students are required to wear the prescribed full school uniform each day including the first day of school at all times and assigned school activities. Parents are requested to sew name tags on all school clothing. The school will dispose of all lost clothing if it is not claimed in the school lost and found after two (2) weeks.
- There are no exceptions to this dress code. Students not in full school uniform must come to school with a note, addressed to the principal, explaining the reason(s) and signed by the parent.

HRSR personnel are not responsible for supervising students outside of the regular school day, even on school or church property unless you have made specific arrangements for your child. (For example, if your child participates as a member of a sports team, on a school field trip, or your child is enrolled in before or after care.) At special events hosted by HRSR School during non-school hours, such as the Carnival and International Day, only parents are responsible for supervising their children, even if such events take place on school or church property. Casual or incidental contact between school personnel and students on school property outside of the regular school day or during such events shall not result in a duty to supervise. Parents shall abide by posted school hours and may not leave their children unattended on school or church property.

ADOM Safe Environment Policy – Protecting God's Children

Recognizing that each individual is created by God, the Archdiocese of Miami is committed to the safety and well-being of its children and vulnerable adults and implements procedures to minimize risk and barriers and to build and foster a culture of safe environment.

To read the complete policy log into the website at www.miamiarch.org under Protecting God's children/policies.

All employees and **volunteers** that are with children or vulnerable adults have to:

- Pass a background check
- Attend a Virtus training and submit certificate
- Complete ongoing training bulletins
- Sign the Volunteer Pledge to Promote Safe Environment.

Toys

- The student classrooms have materials and supplies that meet the educational and developmental needs of the children.
- Toys and other related items from home are not permitted at school unless the teacher requests these items
- A toy that resembles a weapon is never permitted at school or on school grounds. If a student brings an item resembling a weapon, it will be confiscated and the student may face disciplinary action.

Visitors and Guests

All persons visiting or volunteering must sign in at the School Office and wear a visitor's badge while on campus. As a rule, students are NOT permitted to bring guests to school to spend the day or to visit during any part of the day (including lunch).

Archdiocese of Miami Policies and Procedures for Schools

I. Anti-Bullying Policy

The school is committed to promoting a safe, healthy, caring, and respectful learning environment for all of its students. As such, bullying is strictly prohibited and will not be tolerated. Therefore, this policy prohibits any unwelcome verbal or written conduct or gestures directed at a student by another student that has the effect of:

- (1) physically, emotionally, or mentally harming a student;
- (2) damaging, extorting or taking a student's personal property;
- (3) placing a student in reasonable fear of emotional or mental harm;
- (4) placing a student in reasonable fear of damage to or loss of personal property; or
- (5) creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities or the Catholic mission of the school.

1. Definition

- a. **Bullying** is the willful and repeated harm inflicted upon another individual which may involve but is not limited to: teasing, name-calling, slurs, rumors, jokes, false accusations, intimidation, stalking, innuendos, demeaning comments, pranks, social isolation, gestures, cyber-bullying or other verbal or written conduct. Cyber-bullying includes the following misuses of digital technology: teasing, intimidating, or making false accusations about another student by way of any technological tool, such as sending or posting inappropriate email messages, instant messages, text messages, digital images or website postings (including blogs and social network sites). Bullying reflects a pattern of behavior, not a single isolated incident.
- b. This definition includes students who either directly engage in an act of bullying or who, by their behavior, support another student's act of bullying.

2. Scope

- a. This policy prohibits bullying that occurs either:
 - i. on school premises before, during, or after school hours;
 - ii. on any bus or vehicle as part of any school activity; or
 - iii. during any school function, extracurricular activity or other school-sponsored event or activity.

3. Reporting Complaints

- a. Each student and parent has a duty to report any bullying to the school immediately. If a student experiences (or a parent witnesses or learns of) any incident of bullying, the incident must be promptly reported to the school principal. The principal will provide the student/parent with the Bullying Complaint Report Form which must be completed, dated and signed by the complaining party so that the school may initiate further inquiry, when appropriate.

4. Disciplinary Action

- a. Any student found to have violated this policy may be subject to appropriate disciplinary action, which may include: temporary removal from the classroom, loss of privileges, detention, counseling, parent conference, suspension, expulsion, and/or notification to appropriate authorities. The disciplinary action may be unique to the individual incident and may vary in method and severity based on the principal's discretion.

False reports or accusations of bullying also constitute a violation of this policy and may subject the offending party to appropriate remedial action which may include, but is not limited to, the assessment of costs incurred by the School in its investigation and review of any reports deemed to have been made in bad faith.

II. Child Protective Investigations

Florida law provides that any person who knows or has reasonable cause to suspect that a child is abused by a parent, legal custodian, caregiver or other person responsible for the child's welfare must report such knowledge to the Department of Children and Families (DCF). The school will cooperate with all child protective investigations by DCF or the local law enforcement agency. Reports should be made to Florida's Department of Children and Families by calling the Abuse Hotline at: 1-800-96-ABUSE (1-800-962-2873).

Child protective investigations by DCF or local law enforcement agencies sometimes include interviews of students at school and may occur without advance notice. When it is reasonably possible, the school will seek to notify the parents that their child has been asked to participate in a child protective investigation. The school may also request the presence of a school staff member during investigative interviews on school property. However, please note that, under Florida law, DCF and local law enforcement have the discretion to conduct unannounced interviews and to disallow school staff member's presence during these interviews.

III. Computer Use

The school may provide its administrators, faculty and students with access to computers and various information technology resources including email and Internet access in order to enhance the teaching and learning environment of the school and to improve the school's operations. Students must use these resources in a responsible, ethical, and legal manner in accordance with the mission of the school and Catholic teachings. Therefore, students must abide by the following general rules of conduct:

1. Respect and protect the privacy of others:
 - a. Use only assigned accounts and passwords;
 - b. Do not share assigned accounts or passwords with others;
 - c. Do not view, use or copy passwords, data or networks to which you are not authorized;
 - d. Do not share or distribute private information about yourself or others.
2. Respect and protect the integrity, availability, and security of all electronic resources:
 - a. Observe all network security practices;
 - b. Report security risks or violations to the school principal;
 - c. Do not vandalize, destroy or damage data, networks, hardware, computer systems or other resources;
 - d. Do not disrupt the operation of the network or create or place a virus on the network;
 - e. Conserve and protect these resources for other students and Internet users.
3. Respect and protect the intellectual property of others:
 - a. Do not infringe on copyright laws including downloading or copying music, games or movies;
 - b. Do not install unlicensed or unapproved software;
 - c. Do not plagiarize.
4. Respect the principles of the Catholic school:
 - a. Use only in ways that are kind and respectful;
 - b. Report threatening or discomforting materials to the school principal;
 - c. Do not access, transmit, copy or create materials that violate the school's code of conduct (such as indecent, threatening, rude, discriminatory or harassing materials or messages);
 - d. Do not access, transmit, copy or create materials that are illegal (such as obscene, stolen, or illegally copied materials or messages);
 - e. Do not use the resources to further any other acts that are criminal or violate the school's code of conduct;
 - f. Do not use the resources for non-educational purposes such as visiting chat rooms, social websites or networks like My Space or Facebook;
 - g. Do not send spam, chain letters or other mass unsolicited mailings;
 - h. Do not buy, sell, advertise, or otherwise conduct business or political campaigning without prior written approval from the school's principal.
 - i. Do not engage in any form of cyberbullying.

Supervision and Monitoring

The school and its authorized personnel may monitor the use of information technology resources to help ensure that users are secure and in conformity with this policy. The school reserves the right to examine, use, and disclose any data found on the school's information networks or on any technological devices used by students on campus in order to further any administrative concern. It may also use this information in disciplinary actions and may furnish evidence of a crime to law enforcement.

Unacceptable Use of Outside Technology

The school expects students to use information technology (including, but not limited to, the Internet, email, instant messaging and text messaging) in a responsible and ethical fashion in compliance with all applicable laws and with Christian moral principles, both in and out of the school setting. Accordingly, students may not post, place, upload, share, or communicate any images, photographs, statements or inferences relating to or including profanity, vulgarity, indecency, illegal use of drugs, illegal use of alcohol or other illegal or illicit activities. Additionally, students may not use information technology for the purpose of defaming, threatening, teasing or harassing any other student, staff member, parent, faculty member, or other person. This includes, but is not limited to, communications on social networks such as My Space and Facebook. In addition, this rule applies to communications both during the school year and while students are on vacation or summer breaks. Students are responsible for all materials and communications made on personal websites and social networks and the materials and communications should be consistent with Christian moral principles, including any materials or communications posted on their sites by other individuals. Moreover, any unauthorized use of the school's name (or common names associated with the school) or any likeness or image of the school or its employees or agents is strictly prohibited.

Consent

Many technological devices used at school have the capacity to generate audio recordings, video recordings, photographs, and other similar reproductions of images, likenesses, and/or sounds. The use of any such recordings and reproductions is governed by school policy. Parental/guardian execution of this Handbook constitutes an express consent and waiver as to any such recordings and reproductions incidental to the use of any technological devices on school property or at school events.

Consequences for Violations

A violation of these rules may result in disciplinary action, including the loss of a student's privilege to use the school's information technology resources and any additional consequences at the principal's discretion including expulsion.

IV. Drug and Alcohol Policy

The use or possession of illegal drugs or illegal mood-altering substances, alcoholic beverages, drug-related paraphernalia, or the abuse of prescription or over-the-counter drugs by any student on school property or while attending or participating in any school-sponsored activity or at any time the student is wearing a school uniform is forbidden.

Transgression of this rule will result in disciplinary action, which may include expulsion from the school, even for a first offense.

Any student selling drugs on school property or at school functions may be immediately expelled.

The school is committed to a drug-free environment. This commitment may, under some circumstances, prompt a need for testing of students for evidence of substance abuse.

If a student exhibits the symptoms, or is suspected of substance abuse, the school may require that the student undergo substance abuse testing at the parents' expense. If the results of the test suggest abuse (and the substance was not used on or brought to campus or a school-related activity), the school will normally use this information to help the student seek assistance. Refusal to participate in such a test may result in expulsion from the school.

At times, the school may choose to conduct random drug testing of the student body at the parents' expense. While this measure may not often be implemented, given the seriousness of substance abuse, the administration may consider it an effective and justifiable way of combating the problem.

A school may conduct random searches as set forth in this handbook.

V. Electronic Acknowledgments

Periodically, the school may require that parents or guardians make electronic acknowledgments confirming the receipt and/or acceptance of various policies, procedures, notices, releases or updates. Any time a parent/guardian makes an electronic acknowledgment by clicking "submit" or "accept" on an electronic document, that individual is agreeing that he/she has read, understood, and agrees to be bound by the contents of the electronic document. Electronic acknowledgments and signatures are valid and binding and may serve as consent to the contents of any electronic communication. Parents and guardians are responsible for reviewing the contents of any electronic document prior to making any electronic acknowledgments. In addition, **Parents/Guardians, by executing the acknowledgement of receipt of this Handbook, HEREBY AGREE** to receive and be bound by electronic acknowledgments.

VI. Financial Obligations

The satisfaction of all financial obligations to the school, including tuition and fees, constitutes a material condition for continued enrollment in the school. The school may disallow students from taking quarterly, semester, or final examinations if the parents or legal guardians fail to meet any financial obligation to the school. In addition, the school may withhold the issuance of transcripts or any other student records and/or disallow participation in or access to school activities, and/or disenroll the student if any financial obligations are not met.

VII. Fundraising

No student may solicit funds in the school's name unless such solicitation has been authorized in writing by the principal.

VIII. Harassment and Discrimination

The school is committed to providing an environment that is free of discrimination and harassment. In keeping with this commitment, the school will not tolerate harassment or discrimination on the basis of a person's protected status, such as gender, color, race, ancestry, national origin, age, physical disability, mental condition, marital status, veteran status, citizenship status. All employees, faculty members and students are protected under this policy. In addition, this policy applies to all conduct occurring on school grounds, at assignments outside the school, or at school-sponsored events. All students are responsible for helping to assure that any harassment or discrimination is reported. If a student witnesses or learns of any conduct that violates this policy, the student must immediately report the incident to his/her principal. If, however, the principal is the individual who is believed to have engaged in the inappropriate conduct, the student should notify the Superintendent of Schools of the Archdiocese of Miami. If an investigation reveals that inappropriate conduct has occurred, the school will take corrective action based on the circumstances.

IX. Immunizations

The Archdiocese requires, that prior to enrollment or attendance in grades Kindergarten and above, each student presents or has on file with the school a certificate of immunization for the prevention of those communicable diseases for which immunization is required by the Department of Health. A completed Florida Certificate of Immunization (Form DH 680) is required to document the administration of prescribed immunization doses. An exemption from immunization requirements is permissible only with a physician's certification as to the need for either a temporary or permanent medical exemption. An exemption from immunization requirements is not permissible for religious, philosophical, personal, or other reasons.

X. Introduction

An interesting and challenging experience awaits you as a student or parent of the school. To answer some of your questions concerning the school's policies, the school has prepared this Parent-Student Handbook. Please read it thoroughly and retain it for future reference. The policies stated in this handbook are only guidelines and are subject to change at the sole discretion of the school, as are all other policies, procedures, or programs of the school. From time to time, you may receive updated information concerning changes in policy. However, the school has the right to add, delete or revise any school policy or procedure with or without notice. This handbook is not a contract, express or implied, and none of the policies or provisions should be construed as such. If you have any questions about the school's policies, please ask the principal for assistance.

XI. Medications

Students are not permitted to carry or distribute any prescription or non-prescription drugs or treatments, including aspirin, on the school grounds or at any school function. The administering of medicine to a student outside the doctor's office or a health institution is a parental responsibility and should not be delegated to school personnel except under unusual circumstances. Parents should ask their physicians if it is possible to prescribe medication so it can be administered at home. Only when necessary will the school allow the administration of medication on campus, and only under the following guidelines:

1. An "Authorization for Medication" form must be completed and submitted by a parent or legal guardian of the student. The name of the medication and dosage should be indicated on the form.
2. Medications to be taken by students must be personally brought by the parent or legal guardian to the School Office. Medications to be dispensed at school must be labeled with the child's name and the exact dosage. The name and telephone number of the physician should also be on the label. Students may not bring the medication to school alone.
3. If a student must take any medication during the school day, the medication must be kept with the Nurse or School Office and the student must go there to take it.
4. While the school will monitor a student taking the medication, the school will not remind students to come and take their medication.

Exceptions to this policy may also be made for the use, supply and administration of an epinephrine auto-injection (Epipen).

XII. Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the School receives a request for access.

Parents or eligible students should complete the Request for Release of Student Records and submit it to the School principal (or appropriate school official) identifying the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the School to amend a record should write the School principal (or appropriate school official), clearly identify the part of the record they want changed, and specify why it should be changed. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the

parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person or company with whom the School has contracted as its agent to provide a service instead of using its own employees or officials (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920

XIII. Open Admission Policy

The school has an open admission policy. No person, on the grounds of race, color, disability or national origin, is excluded or otherwise subjected to discrimination in the receiving of services. Nor does the school discriminate in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral and other aspects of employment on the basis of race, color, disability, age, gender, or national origin.

XIV. Parental Cooperation

The school views the education of a student as a partnership between the parents and the school. Parents and students are expected to comply with the school rules and policies, and to accept and support the authority of school officials, whether it is at school events, on or off school campus, or on social media or other public forums. Just as a parent can withdraw a child from the school if desired, the school has the right to disenroll a student if it determines at its discretion that the parent or student partnership with the school is irretrievably broken.

XV. Participation in School Athletics or Organizations

The school recognizes the following sports, activities and clubs: **(insert)**

1. School Clubs: Altar Servers, Choir, National Junior Honor Society, Missionaries in Action, Sewing Club, Student Counsel.
2. Major School Activities: Carnival, Catholic Schools Week, Christmas Play, Passion Play, Talent Show, Field Day, International Festival, Pet Parade, Red Ribbon Week, Turkey Bow Football Volleyball.
3. Dances: Harvest, Turkey Bowl, Valentine's, Spring, 8th Grade Formal
4. Athletics: Basketball, Baseball, Cross Country, Flag Football, Soccer, Softball, Track and Field, Volleyball.

Parents acknowledge that participation in these sports, activities, or clubs may be inherently dangerous and, the school cannot ensure the safety of all students involved in its activities and programs.

Prior to participation in any sport, each student must complete the Parent Consent and Release of Liability form and a physician's certificate to the effect that the student is physically fit for participation in the sport. Participation includes pre-season conditioning, open gym, tryouts and practice. **Parents, by executing this acknowledgement of receipt of this Handbook, HEREBY RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to participation in any sports, leagues, clubs or activities.**

The school is not responsible for student participation in any sports, leagues or clubs not identified above. Parents hereby acknowledge that students who participate in any such program or activity do so at their own risk. Parents further acknowledge that the school does not control or sanction any such program or activity and that it shall not be held liable for any injuries or damages sustained by students or others arising from participation in such program or activities.

XVI. Private Tutoring, Coaching or Lessons

Except as specifically noted in this Handbook, the school does not sponsor, oversee, or otherwise provide private tutoring, coaching, therapy or other similar private lessons or services. Parents who engage school staff members for the provision of these services do so at their own risk and expense and are hereby advised that such services are outside the scope of the staff member's employment with the school. **Parents, by executing the acknowledgment of receipt of this Handbook HEREBY RELEASE the school, the Archdiocese, and their corporate members, officers, employees, affiliates, and agents from any claims or liabilities that allegedly arise from or are related to the provision of private tutoring, coaching, therapy or other similar private lessons or services, regardless of where they may occur.**

XVII. Public Display of Affection

The Catholic school promotes friendship, charity, kindness, love and respect for self and others. However, inappropriate displays of affection, such as kissing or embracing which connote more than simple friendship, are not permitted in school, at school dances, or at any school event. Those who violate these rules may be subject to disciplinary measures, including detention, suspension or expulsion. The administration reserves the right to determine what is, or is not, appropriate behavior in a Catholic school.

XVIII. School-Sponsored Events

The school does not sponsor, oversee, or in any way control parties or social functions at private residences. School-sanctioned events, including all field trips, excursions, or parties, are specifically identified in this Handbook or are identified in the school calendar and/or written notices generated and distributed by the school.

Parents, by executing the acknowledgment of receipt of this Handbook, HEREBY RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, affiliates, and agents, from any claims or liabilities that allegedly arise from or are related to attendance at parties or social functions at private residences or from participation/attendance at events not identified in the school calendar or in written notices from the school, including field trips, excursions, or parties.

Students engaged in conduct that is contrary to the mission and philosophy of the school may be subject to disciplinary action regardless of whether the conduct occurred at a school-sponsored function.

XIX. Search and Seizure Policy

The principal and his/her designee has access to any lockers, handbags, electronic devices, cell phones, book bags, desks, cars or any other object that is brought onto the campus of the school or any school-sponsored event, and may remove or confiscate any object which is illegal or contrary to school policy.

XX. Conduct

Students and Parents are expected to behave consistent with the mission, philosophy and spirit of the school and the moral teachings of the Catholic faith as determined by the Archbishop of the Archdiocese of Miami. Because the school cannot anticipate all conduct that violates this policy, it reserves the right to take any form of (1) student disciplinary action, including expulsion, and/or (2) restrictions against any behavior that violates this policy, even if not specifically stated in this handbook.

XXI. Testifying in Divorce or Custody Proceedings

The Catholic Church recognizes marriage as a Sacrament. In the Union of Christian spouses, the sacrament of Matrimony celebrates the relationship of Christ to the Church. Therefore, the school strongly supports the sacrament of matrimony as the foundation of family life and of the domestic Church. In recognition of the importance of the matrimonial sacrament to the Catholic faith, parents agree not to compel the attendance, testimony, or deposition of any school or church employee in any divorce, custody, or other legal proceedings which may in any way involve the dissolution of marriage or the determination of parental/custody rights.

In the event that a parent or legal guardian breaches this policy, any school or church personnel who are required to attend legal proceedings may be represented by an attorney. In addition, any and all legal fees and costs incurred by the school will be charged and become the responsibility of the parent or legal guardian.

XXII. Threats of Violence

The disciplinary consequences for a student whose verbal or written comments, including email messages, that threaten serious bodily harm to another student or member of the faculty or staff or destruction of property, may include, but not be limited to:

1. Immediate suspension from the school;
2. Treatment or consultation by a psychologist or psychiatrist at the parents' expense and/or by the school counselor, both of whom may be asked to submit a written evaluation. If it is determined that the child was serious about the threat and has the capacity to carry it out, the child may be expelled from the school. If it is determined that the child did not seriously intend to do harm to others, the child may be allowed to return to the school, at the discretion of the school principal.
3. If allowed to return to school, the child may be placed on probation with an indication that, should a similar threat occur, the child will be expelled from school;
4. The school should inform the Department of Schools of these cases. The school may submit an informational report to the police.

XXIII. Undocumented Students

A student's enrollment and/or graduation from school does not confer a legal status nor does it serve to regularize an undocumented student. Although the Archdiocese of Miami may assist with the completion of an I-20 form, the school does not guarantee or confer any privileges or rights available to documented legal residents. Parents should consult with immigration legal counsel if they have any questions as to immigration status.

XXIV. Use of Photos

The school reserves the right to use student or parent photos in any school or Archdiocesan publication including but not limited to print publications, videos, or websites including Facebook, Twitter and other social media websites. Any parent who does not want his or her child's picture or video to be used accordingly must notify the school's principal in writing prior to the beginning of the school year. **By executing this acknowledgement of receipt of this Handbook, Parents HEREBY CONSENT, authorize and grant permission to the school, the Archdiocese of Miami, and their agents, employees or duly authorized representatives to photograph or videotape students and parents and CONSENT to their publication for any purpose deemed proper by the school, including but not limited to, use on the internet.**

Additionally, Parents, by executing this acknowledgement of receipt of this Handbook, HEREBY RELEASE the school, the Archdiocese of Miami, and their corporate members, officers, employees, and agents, from any claims or liabilities that allegedly arise from or are related to the use of student or parent photos.

XXV. Weapons Policy

Weapons are not permitted anywhere on school grounds. Anyone who brings a weapon on school grounds, who is in possession of a weapon, or who threatens others with a weapon may be expelled from the school. Any item used to threaten or cause bodily harm may be considered a weapon.
